Camera Club Subgroups

We have two exciting new subgroups proposed. They are:

- Photoshop Techniques –led by Annette
- In Camera Techniques – led by Sharron

At our September meeting, both Annette and Sharron will share more information about their groups and how they will run. If you are interested in both groups or either, please let Annette and/or Sharron know.

If your Set Subject was “Spoon” which of these fits the subject? Which doesn’t fit the subject? Which grabs your attention? Which elevates the humble spoon through a mastery of photography and artistry?
